## Academic Awards

- Globalink Research Award Abroad for research abroad (August - December 2019). Awarded by Mitacs for the project *Climate change and emerging transboundary fish stocks in North America* developed in collaboration with Dr. Elena Ojea at the University of Vigo
- The Institute for the Oceans and Fisheries Student Society (IOFSS) Travel Grant. 2019. Awarded to participate in the conference Species on the Move in July of 2019 in Skukuza, South Africa
- SESYNC Graduate Pursuit Award (September 2018 - May 2020). Awarded by the National Socio-Environmental Synthesis Center (SESYNC) to conduct the research *Ch-Ch-Ch-Changes: Using Marine Protected Areas to Investigate Potential Socio-Ecological Impacts of Climate Change in Marine Spatial Planning*. National Science Foundation and the University of Maryland. (Link to project: [tiny.cc/lzxv5y](https://tiny.cc/lzxv5y))
- Faculty of Science PhD. Tuition Award (September 2016 – To date). Awarded by the University of British Columbia to pursue a PhD. In Zoology
- International Tuition Award (September 2016 – To date). Awarded by the University of British Columbia to pursue a PhD. In Zoology
- Latin American Fisheries Fellow (LAFF) (August 2014- June 2016). Awarded by The Walton Foundation to pursue a Master of Environmental Science and Management.
- Mobility Program Award (January - December 2010). Awarded by the Universidad Autónoma Metropolitana to go to the São Paulo University, Brazil.

## Teaching Experience and Mentoring

- Land Food and Community: Quantitative Data Analysis (January – May 2018) Introduction to tools needed for data analysis of the economic, ecological, health, and scientific components of land and food systems. Faculty of Land and Food Systems, University of British Columbia
- Diving Instructor (May 2011 – July 2015). Instructed over 25 divers in different levels of sport diving. Assisted more than 50 courses over a 4-year period.
- Undergrad Teacher Assistant (January 2010 – December 2012). Instructed classes of 20-30 students when needed.
- Thesis co-direction for a bachelor's degree in biology. González L.M. 2013. *Macronutrientes de cefalópodos de importancia comercial en México*, Universidad Nacional Autónoma de México.

## Invited Seminars

- Marine governance in the anthropocene: Lessons from South Africa and Latin America, Center for Complex Systems Transition, Stellenbosch Institute for Advanced Study, Mosterdrif, Stellenbosch, South Africa, 2019.
- Building capacity for fisheries management in Latin America. Weekly seminars. The United Nations Environment World Conservation Monitoring Centre (UN-WCMC), Cambridge, UK, 2017
- Hacia la creación de una base de metadatos de investigación marina en México. Unidad Académica Sisal del Instituto de Ciencias del mar y Limnología de la Universidad Nacional Autónoma de México, Sisal, Yucatán, México, 2017
- Hacia la creación de una base de metadatos de investigación marina en México. El Centro de Investigación y de Estudios Avanzados del Instituto Politécnico Nacional, Mérida, Yucatán, México, 2017
- Hacia la creación de una base de metadatos de investigación marina en México. Centro Interdisciplinario de Ciencias Marinas del Instituto Politécnico Nacional, La Paz, México, 2017
- Hacia la creación de una base de metadatos de investigación marina en México. Centro de Investigación Científica y de Educación Superior de Ensenada, Baja California Norte, México, 2017
- Hacia la creación de una base de metadatos de investigación marina en México. Universidad Autónoma de Baja California, Baja California Norte, México, 2017
